From the east: You can only boat in from this direction! Use the Intracoastal Waterway or come through Oregon Inlet from the Atlantic. When you dock in at Manteo, you're about a block from the inn.

Very Important: When you arrive at the inn to check in you'll need to come to the front door. On the left side of the door you'll find the door [phone](#). Push the button and we'll answer and welcome you in. Since our office is adjacent to the inn and not in the building itself, ringing the door phone lets us know you have arrived.
